ComputerCorps™ is a nationally recognized 501(c)(3) Non-Profit Organization that recycles computers and electronic equipment (eWaste). ComputerCorps™ refurbishes and returns usable equipment back to the community with its "Every Home A Classroom"™ Program. This program provides computer access and skills training to under-served children, while eliminating electronic waste (eWaste) from our nation's landfills.

Additional Sponsors and Volunteers are needed in-order to help with this great program. If you know of those who want to help or volunteer, or those that are in need of computers, please call us at 775-883-2323 or e-mail us at: admin@computer corps.org.
