By providing a scholarship for a child in the ComputerCorps "Every Home 'A' Classroom" Summer TechCamp Program, you can help your community by helping kids learn about computers. Students build and take home Computer System. That includes a Monitor, Keyboard, Mouse, Speakers, DVD/RW, Wired Internet, Microsoft Windows 10 Pro, Microsoft Office Suite. You can select the student or let us choose someone who needs a scholarship.

ComputerCorps™ is a nationally recognized 501(c)(3) non-profit organization dedicated to providing access to computer technology and skills training for under-served families, while eliminating eScrap in our nations landfills.
